## **Multi-million dollar Bribie Island display village showcases latest in housing luxury**

A multi-million dollar display village over a year in the making opened on Bribie Island this weekend, demonstrating continued housing investment in the region.

This new display village at Pacific Harbour showcases modern designs and innovative features from four of Queensland's best home builders.

Pacific Harbour sales and marketing manager Annette Mengel said the NuTrend, Stylemaster Homes, Abbott Builders and Mancorp Quality Homes displays meet market demand for stylish yet functional homes.

"Recent reports have marked the Moreton Bay region as a growing property market to watch, not just in 2017 but in the years ahead, and Pacific Harbour is certainly seeing a greater variety of buyer markets and home preferences," Ms Mengel said.

"Featuring a variety of styles, from classic Hamptons to the ultra-modern, each home puts a different twist on the relaxed, resort-style living that is synonymous with Pacific Harbour."

"All of the homes host magnificent pool and outdoor entertainment areas that truly demonstrate the indoor/outdoor island lifestyle."

Pacific Harbour will comprise of approximately 3000 homes when complete and home and land packages start from \$460,000.

"The investment in the new display village demonstrates QM Properties' and each of the builder's faith in the region's growth," said Ms Mengel.

"Certainly the level of enquiry at Pacific Harbour has been unprecedented this year, with record breaking new enquiries from potential buyers Australia-wide."

The display village is located on Freshwater Drive Banksia Beach and is be open Saturday to Wednesday from 10am to 5pm.
